## The Fathering Project Donations Remittance Form

The Fathering Project is a non-profit project based at The University of Western Australia which aims to help fathers realise how important they are in a child's life, and to give them advice on how to encourage their children. The Fathering Project is also aimed at father figures such as grandfathers, step fathers, uncles, mentors, youth leaders, teachers, pastors and coaches, knowing that many children do not have much father contact at all.
